## SERVICES

# FROM IDEA TO FINAL HANDOVER

Choose a builder that can manage the practical details, coordinate the moving parts and keep quality visible at every step.

01

## NEW HOMES

Complete new-home builds with an experienced team from foundations to finishing details.

Move into a home that feels planned, solid and truly yours.

02

## HOME EXTENSIONS

Add bedrooms, living areas, garages or functional space while aligning with the existing structure.

Gain the space you need without the stress of starting over.

03

## COMMERCIAL BUILDS

Practical construction support for offices, shops, business units and commercial improvements.

Create a professional, durable space that supports your business growth.

**MORE WAYS TO BUILD**

# PRACTICAL UPGRADES THAT PROTECT PROPERTY

From security and access to roofing and compliance, these services help improve the usefulness, value and safety of your property.

**04**

## BOUNDARY WALLS

Secure, neat and long-lasting boundary walls for residential and commercial properties.

**Improve privacy, safety and street appeal in one smart upgrade.**

**05**

## PAVING & DRIVEWAYS

Prepared bases, clean finishes and level surfaces for driveways, pathways and outdoor areas.

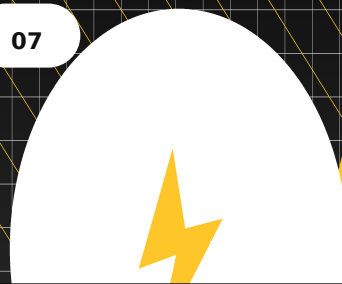

**Make access easier while lifting the value and look of your property.**

**06**

## ROOFING WORKS

Roof repairs, replacements and new roofing work focused on durability and weather protection.

**Protect your investment before small problems become expensive ones.**

**07**

## ELECTRICAL & COC

Electrical work support and COC-ready checks with compliant handover in mind.

**Finish your project with safer, clearer compliance steps.**

**OUR APPROACH**

# CLEAR PATH FROM QUOTE TO COMPLETION

A strong build needs more than materials. It needs planning, sequencing, site control, workmanship and regular communication.

**01**

## SCOPE & QUOTE

We discuss your goals, site needs, budget expectations and the best way forward.

**02**

## PLAN & PREPARE

The right team, materials, timing and safety considerations are aligned before work begins.

**03**

## BUILD & CHECK

Quality, levels and practical details are checked as the project progresses.

**04**

## FINISH & HANDOVER

Final details are completed so your space is ready to use with confidence.

## WHY THIS MATTERS

A better process reduces costly confusion. You get clearer decisions, stronger quality control and a project team focused on turning your idea into a finished space that lasts.

**QUALITY  
CONTROL**

# READY TO BREAK GROUND?

Tell Mighty Builder what you want to build, extend, repair or improve. Get a free, no-obligation quote and practical advice from a team that has been building since 1980.
